BCAM members,

We're thrilled to announce Krossover has joined the Hudl family. We know many of you are familiar with both platforms, and I'm sure you'd be happy to know that Hudl's vision is to combine the best of both worlds and deliver an unmatched solution to power your team.

Since [the announcement](#) on May 9, coaches and athletic directors have been asking great questions about what this means for their Krossover account. Here's what you can expect.

Q: What will happen to my Krossover account?

A: You'll still have access to your Krossover account and existing breakdown services until summer 2020. In the meantime, Hudl is working on tools to seamlessly transfer your data and video from Krossover to a Hudl account.

Q: Does Hudl plan to add any of Krossover's functionality?

A: Potentially. Hudl is looking into what coaches loved about Krossover and finding ways to provide the same level of value within the Hudl platform.

Q: Who can I talk to about my school's Hudl or Krossover account?

A: Hudl is here to help you with any questions you have about Hudl or Krossover. Please reach out to your account executive by filling out [this form](#).
