

Job Opportunity Announcement
Staff Attorney -Justice, Equity and Opportunity Program
Kankakee, IL

Prairie State Legal Services, Inc. is launching a new, innovative program to address inequities in targeted low income neighborhoods through community lawyering, hiring community residents to work as advocates beside our staff, and providing legal information programming to help low income residents to understand their legal rights and responsibilities.

Under the Justice, Equity, and Opportunity Program, Staff Attorneys will address a range of legal issues including issues related to racial inequality, issues that present barriers to residents' efforts to be self-sufficient, and threats to adequate housing. In addition to the Program Staff Attorneys, PSLS will also hire residents from the targeted communities to work as Community Advocates. These Community Advocates will assist with outreach, collaborate with the Program Staff Attorneys, and be responsible for providing training and education to other community residents.

While traditional Staff Attorney positions at PSLS are responding to requests for legal help that are first reviewed by our telephone counseling service, this program aims to embed our attorneys in trusted community-based locations within primarily disenfranchised communities. The Justice, Equity, and Opportunity Program Staff Attorneys will be listening to residents and community partners and identifying the legal issues disproportionately impacting the residents of such communities.

- Provide guidance and direction to the local PSLS Community Advocate and coordinate efforts with the Advocate;
- Exhibit a high level of personal energy, organization, and commitment to the position and the PSLS mission.
