

**Job Opportunity Announcement
Staff Attorney – Housing Stability Project
Woodstock, IL**

Prairie State Legal Services, Inc. is part of a statewide movement to prevent a surge in homelessness as a result of the pandemic and is seeking to add new full-time attorneys to expand our legal services for low income renters as part of this unprecedented effort. The attorneys hired for this project will be part of an internal taskforce of more than 20 attorneys addressing rental housing issues within PSLS's 36 county service area.

Under this program, PSLS staff are preparing and distributing legal information resources for renters, holding virtual presentations to inform residents and social service providers about the laws surrounding evictions and the special protections in place from State and Federal moratoriums, working with local courts to establish coordinated eviction responses in many communities including courthouse based services, reviewing and responding to proposed Illinois Supreme Court rules related to evictions, and are participating in defenses to legal attacks on the legality of the eviction moratoria. The Housing Stability Project will initially focus exclusively on rental housing issues but may expand into home ownership issues in the future as foreclosures are expected to surge in 2022.
