

Social Action and Lunch & Learn Present a Discussion with State Senator Anna Kaplan

Anna Kaplan arrived in the U.S. as a Jewish refugee from Iran at age 14. She was elected to the State Senate in 2018 as a champion for reproductive health, sensible gun safety legislation and economic development. Her victory made her the first political refugee and first Iranian-American elected to the New York State Senate.

Her district includes our temple and the homes of many congregants. She will be talking about 2019 legislative accomplishments and her priorities for 2020. Everyone will have the opportunity to ask questions, whether or not you are a constituent.
