Pequot Lakes can call themselves champions.

After losing in a 3-0 sweep in last year's state finals, the Patriots flipped the script and swept the

Rush City Tigers to win the Class 2A Final Saturday, Nov. 11, at the Xcel Energy Center in St. Paul.

"It was hard fought to get there, but I'm so proud of this team for accomplishing something that many girls have tried," Pequot head coach Chris Ganley said. "The program kept building and these girls finally did it. All the past teams can be proud because they helped build this and I'm so proud that they finally did it."

The feeling of losing the state finals last year was stuck in the back of the minds of the Patriots, which made the victory sweeter.

"It was absolutely surreal," senior middle-hitter Grace Hoffard said. "I think we all knew we had it from the start. Since we got down here. We knew we wanted it more and more. It's unbelievably amazing."

"(Kratochvil) is a great player," Rush City head coach Eric Telander said. "She just did a great job and was finding the angles. We were trying to keep her from going line and when we did she wasn't going line too often. She had a great match."

Rush City was led by Lydia Bengston with 15 kills and Ella Ferrie with 10 kills. The Tigers registered 26 hitting errors to Pequot's 13.

"Pequot played one heck of a game," Telander said. "It seemed like they were in every dang spot that we were trying to hit. So hats off to

them."

In the third set, Pequot Lakes used both of its timeouts within the first six points. Kratochvil had a cut on her leg which needed medical attention after the first point and a quick 5-1 run by the
