COVID-19 Daily Student Checklist

Prior to sending your child to school each day, you must review the following checklist at home. Please make a printed copy of this checklist to review daily at home before the start of each school day. This checklist does not need to be sent in to the nurse - it is for your family's use only.

- ❑ My child is feeling well today

- ❑ My child has not taken any fever-reducing medication

- ❑ My child does not have any signs or symptoms of illness
- ❑ In the past 14 days, my child has not been exposed to anyone who is sick
- ❑ In the past 14 days, my child has not been in close contact (within 6 feet for 15 minutes or more with or without a mask) with anyone with a known diagnosis of **COVID-19**

- ❑ In the past 14 days, my child has not traveled to any high-risk areas or states as designated by the MA Department of Public Health

- ❑ The school nurse at MCCPS has at least 3 up to date emergency contacts (name and phone number) on file in the event I need to be contacted while my child is at school
- ❑ Please email Nurse D and stay home if your student is sick or has had contact with someone who is sick
