## Greetings from CapeCodCAN!

Although we are apart, we can still make art together! We invite you to join us in our new art project, *Postcard Connections*. Participation is easy and fun and can be done on your own schedule. Here's how it works:

1. Print the attached postcards on a **heavyweight paper** or **card stock** on your printer at home.  
(Don't have a printer or heavy paper? Simply email us at [capecodcan@gmail.com](mailto:capecodcan@gmail.com), let us know where to send it, and we will send some along)
2. Use the blank side of the postcard to respond to the art prompt with your own creative artwork. You can paint, draw, collage - use any material you would like!
3. Mail your creations back to CapeCodCAN as you finish them - but no later than **July 1**. The postcard is already addressed - just be sure to add a first-class stamp!

*Print, create and mail as many as you would like, and feel free to share with anyone else in your house that would like to participate!*

### What's next?

**ONGOING:** Watch [CapeCodCAN.org](http://CapeCodCAN.org) to see what people have created. We will be posting all postcard artwork as we receive it.

**AFTER JULY 1:** Watch for an invitation from **CapeCodCAN** to get together in a Zoom meeting to share what you created and to catch up!

**WHEN WE RETURN:** Once we are able to meet again in person, we will show ALL of the postcards together in an exhibit of our Postcard Connections.
