Your Milestone Wedding Day

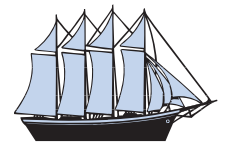

Before the ceremony, brides and their party can reserve our exclusive and private Andrews Suite—with a comfortable lounge and veranda offering abundant space for stylists and photographer, it is the perfect place to prepare for the day. Morning mimosas or flutes of champagne and light refreshments help you get ready in style.

Walk along the waterfront to your ceremony at Burner Point with beautiful views of Ludlow Bay and the Olympic Mountains as the backdrop of your ceremony, captured in photos and memories for a lifetime.

After the ceremony, you and your guests will enjoy a beautiful, intimate reception. Our culinary team will create a farm-to-fork experience with menu items showcasing the fresh, locally sourced ingredients.

With the convenience of everything on site, it's a short walk to retreat to your room, complete with jetted tub, gas fireplace, water and mountain views.

To close your wedding weekend, gather together with family and friends for a send-off brunch and toast your happily ever after.
