

2ND ANNUAL YOUTH LEADERSHIP SUMMIT 2025

EMPOWERING THE NEXT GENERATION OF LEADERS

This year's summit will focus on the theme: **"Artificial Intelligence (AI) in Education"**—highlighting how emerging technologies are reshaping the future of learning and career pathways. Attendees will hear a dynamic keynote address on the impact of AI and innovation in the classroom and workplace.

Students will participate in two engaging workshops:

- **Building Wealth through Entrepreneurship**
- **The Intersection of Mental Health, Social Media, and Technology**

In addition to these sessions, the summit will feature **exhibitor tables** and **networking opportunities** with industry professionals, educators, and community leaders—offering valuable insights, resources, and connections to help students prepare for tomorrow's workforce
