HELP US BRING THE RIGHT RESOURCES TO NEW JERSEY BUSINESSES: *INFORMATIONAL SURVEY*

The African American Chamber of Commerce of New Jersey (AACCNJ), through its Training & Development Institute (TDI), is partnering with the New Jersey Department of Labor and Workforce Development to better understand the educational and technical assistance needs of New Jersey employers.

We are seeking input from business owners, nonprofit leaders, and employers to identify the topics that matter most to your organization. Your feedback will help shape future workshops, webinars, and business education opportunities designed to help employers navigate labor laws, access available resources, and strengthen their operations.

Topics will include:

- NJDOL Overview
- Paid Family and Medical Leave
- Unemployment Insurance
- Work Right
- Temporary Workers' Bill of Rights
- Domestic Workers' Bill of Rights
- Business Services
- Health and Safety
- Division of Vocational Rehabilitation Services
