Mathew and Joseph are both 18-year-old students at Destrehan High School who have shown the world around them that they are a force to be reckoned with. Come have fun, get inspired, and hear about how these twin brothers have used their own voices for self-advocacy and their well-being.

In this workshop, you will learn how to speak up for yourself and have your voice heard as well as how to become active members in the community.

"Let me win. If I cannot win, let me be brave in the attempt."
