Did you receive a call from someone at your local Human Service District/ Authority regarding screening your or your child's needs? Are you unsure what this is about? Have you heard about a “**SUNS**” screening tool and want more information? Are you confused about waiting lists in general and how Louisiana's system works for distribution of waiver slots?

Join presenter Karen Scallan for discussion about what's up  
with the waiting list in Louisiana.

Changing Lives. Every Day.
