Adoption Events are held on select Saturdays at 220 Joyceton Church Rd. in Lenoir. Dates and times vary. Please check our Facebook Page for the most updated schedule.

FCR's goal for Summer 2025 is to begin hosting Saturday Events in our new Adoption Events Venue located on the ground floor of our future spay/neuter facility.

The crates pictured below are currently where fosters meet and greet for adoption events.

And while the upper level is not complete the lower level will be ready to accommodate adoption events buffered from the elements.

Starting summer 2025

AREA TO BE UTILIZED FOR
ADOPTION EVENTS

As our spay/neuter facility is nearing completion, we are looking for funds to purchase the medical equipment for the interior: surgical tables and lights, oxygen & anesthesia machines etc. We are seeking donations in the amount of \$5,000 -\$25,000 each to recognize in our new space. If you would like to help sponsor this next phase, please contact Suzanne Mathews at

FoothillsCanineRescue@yahoo.com

The Bunch Anderson Shelter is open for walk-in adoptions **every Saturday from 12p-3pm**

Our dedicated Volunteers are the heart and soul at FCR and WTR, each always have opportunities to volunteer. Currently we have a critical need for Adoption Counselors. The counselor role includes meeting and screening prospective adopters for our dogs. Training is provided prior to service for our Saturday events. We are seeking 3-5 additional ACs prior to summer. If you or someone you knows is interested in filling this role, please send an email to: FoothillsCanineRescue@Yahoo.com.

Meet Ame, Gunny, Kamerad, and Maddie

Ame is affectionate, leash savvy and gets along with all the new dogs. Ame is a lab mix, is quiet in a crate during the night. Ame is not used to car travel, but at 35 pounds, loads easily.

Gunny is About 7 years old, this big-hearted pup weighs around 70 lb. He's a real sweetheart, filled with affection and love. If you're looking for a loyal companion to join your family, Gunny might just be the perfect fit!

Kamerad was set out on a cold night and knocked frantically at a door to get inside. Luckily the family knew one of our fosters. He's safe and warm now with a full tummy. 3 years old and 50 pounds, Kam is sweet, slightly timid but enthusiastic. Enjoys car rides but still needs general training. A diamond in the rough.

Maddie aka Maybelline is 6 yrs old she's been at BAS for **474 days**. This loving girl is more than ready to trade shelter life for a cozy spot in your home. She dreams of belly rubs, couch snuggles and a yard to explore all the smells. She keeps getting over looked. Please help her find her forever home.

**Spotlight**

Foothills Canine Rescue donated all October adoption fees to Brother Wolf in Asheville NC. Below is a summary of their thanks to us.

Thank you for your steadfast support of Brother Wolf during this crisis. Hurricane Helene's floodwater devastated our shelter, but your compassion empowers us to rebuild.

Amid the devastation, stories like Onyx and Tater Tot's remind us of our mission's importance. They evacuated with their family during Helene, and the stress took its toll. They fell ill in temporary housing needing care. Thanks to your support, they received the necessary attention and are now healthy and back home.

Your commitment to Brother Wolf creates a future where animals thrive. Thank you for your generous gift.

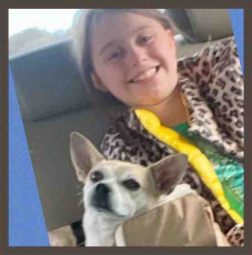

Together, we will rebuild Brother Wolf

Happy Tales

Renfro now Frodo

Mr. Frodo is just the sweetest boy! He has done very well integrating into family life! He adores Lacy and pretty much makes every step that she does. If she goes out of the room, he stares at the door or out the window, watching for her return. In the car, he loves chillaxing with his girl in the backseat 🥰 Mr. Frodo is also an expert beggar! The baby loves to throw his eggs off his tray and watch Frodo gobble it up.... perhaps he takes sharing a little too far! 😂 We all love this little guy!! The happiness around our house is palpable since Mr. Frodo joined the family ❤️

RUBY'S JOURNEY: FROM LOST SOUL TO BELOVED COMPANION

Ruby

After Hurricane Helene, Ruby was wandering in downtown Lenoir. Ruby, a hound with longing eyes was spotted by a concerned 8th grader. Steps were taken to ensure her safety, leading her to Foothills Canine Rescue.

At the rescue, Ruby's sad eyes and gentle nature captured hearts. Declared healthy by Dr. Thuss, she joined the rescue pack in kennel #3.

Ruby quickly adapted, impressing everyone with her behavior. After being spayed, she stayed with Wendy Crooks, who praised her as the perfect houseguest.

Ruby charmed all volunteers, leading to a foster placement. They cared for her, resolving minor health issues before finding her a forever home. A couple from Hendersonville fell in love with Ruby and took her home. While the rescue team felt emotional, they were thrilled for Ruby's new beginning.

Now, Ruby is settled, charming her new family and adjusting with the resident cats. Her journey from lost hound to beloved companion shows the power of compassion and second chances.

Her characteristic howl is still missed @BAS!
