- Dogs get you moving -dog owners are more likely to report regular exercise.
- Dogs help your weight- Walking burns calories and helps maintain a healthy weight. P.S. Dogs love to be walked.
- Dogs promote social connection- owning a dog has been linked to better mental health and a lower perception of social isolation which can reduce the risk of heart attacks and cognitive problems.

## Donor Spotlight

**The Cove's annual wreath Lighting Ceremony** this December included a fundraiser for FCR with dog food, collars, leashes and Chewy gift cards. Suzi Schultek and Susan Black gratefully received the donations from Cove barn president Sue Holland. Susan Coverdale (not pictured) also spoke about WTR operations and recruited a new volunteer!

A Huge thank you to Paul at Laurel Creek Mulch and Stone in Lenoir for the generous gravel donation for our shelter dogs! Our community's kindness and support never cease to amaze us. We are grateful for all who step up to help our organization
