 Gratiot county.**

**About CASA of Gratiot County:**

CASA volunteers are citizens from the  
 community that stand up for the rights of  
 abused and/or neglected children. The  
 volunteers are specially trained and appointed  
 by the Gratiot County Probate and Family  
 Division Court judge to provide information  
 about a child's circumstances. Our volunteers  
 serve one family at a time and provide  
 information to help the family court judge  
 make decisions about the child's best interest.  
 A CASA volunteer is a constant and caring  
 presence for a child that stands beside them as  
 long as there is a need.

In 2016, many children's voices were  
 heard through the advocacy of the Gratiot  
 County CASA Program, **but many more are  
 waiting.**

Your participation in **TRIVIA NIGHT THE SEQUEL**  
 will help support our Court Appointed Special  
 Advocate (CASA) program.

CASA of Gratiot County is a program of  
 Child Advocacy.
