

Sports Lighting Services

Georgia Power's Sports Lighting provides lighting design and installation services for venues of any type or size. With our custom designed lighting systems, you can create an exciting nighttime venue for all your sporting events.

Whether it's a school field, park and recreational facility, big league field, or ballpark, Georgia Power can recommend and install exactly the right lighting for each situation. Our expertise covers a full range of sports lighting including:

Baseball • Softball • Football • Lacrosse • Track • Soccer • Tennis

Sports Lighting Solutions Include:

- Full turnkey installation
- New construction and retrofit solutions
- Financing options to meet individual project needs
 - Monthly payments on Georgia Power bill
- Warranty programs up to 25 years (depending on product)

Benefits Include:

- Energy efficient LED lighting
- Wireless controls
- Brighter light and color
- Longer life and lower maintenance required

Whether you need a whole new lighting system or you want to upgrade an existing one, **call Nathan Bartlett at Georgia Power Sports Lighting at 706-247-9997**. We'll assess your sports outdoor lighting needs, discuss payment options – and make sure you get the winning solution your facility needs.
