The activities of the BHA affect all property owners—and all owners have a voice and a vote. As someone who maintains my primary residence off-island (for me, Raleigh), I am particularly interested in how BHA can best serve all owners, regardless of where they reside. In the several weeks since the election began, I have been impressed by the strong interest in the election and the many opinions that have been shared with me. And I've been humbled by the support received from the island community. Thank you for the opportunity to serve each of you.
