

Employer Resources

Posting Job & Internship Opportunities

Employers can post part-time, full-time, internship positions, and events on **Handshake**. To get started, visit joinhandshake.com/employers. We can also promote your opportunities/events to specific programs, student groups, and faculty after they are posted - email us with areas you would like to connect with.

- **Priorities:** *Let us know about your organization's key priorities such as hiring veterans, a commitment to diversity, equity, and inclusion, or other initiatives.*

Internship Development

Work with us to develop internship opportunities that will allow students to earn academic credit. Contact us with questions or to get started.

Micro-Internships

Visit info.parkerdewey.com/kckcc or contact us to learn more about offering short, project-based Micro-Internships for students, including possible grant funding for Kansas employers.

On-Campus Interviews

Request campus interview days on Handshake, and we can help make arrangements and promote on campus.

Career Fairs & Other Events

KCKCC hosts various career fairs, networking, mock interviewing, and other events throughout the year. Contact us if you would like to be invited to participate. Find and register for events through Handshake.

Recruiting Tables

Set up on-campus recruiting tables on campus. Contact us to schedule your visit.

Social Media Videos & Content

Follow us on social media - accounts below. If your organization has videos or other social media content focused on careers, employment, internships, or related areas, email them to us at careerservices@kckcc.edu to request sharing.

Career Exploration

For students exploring different career paths, we work with employer partners who are willing to talk with students – informational phone calls, possible job shadowing, etc. If this is something you are willing to consider, let us know!
