September 24, 2020

Dear Parent/Guardian of Model B Elementary Students:

As of Monday, September 28, 2020, we will no longer be posting videos of instructional blocks. If your child is absent from school (online instruction), please notify the school of the absence as you would if you were participating in on site-learning (Model A). While this may seem cumbersome, we are required by law to track daily attendance for children whether they participate in Model A or B. Any absence appointments need to be documented through our attendance office. Please, also notify your child's teacher so that you can set up an appointment to meet online to get caught up on missed work.

If you have any questions, please make contact with your child's teacher.

Sincerely,

Andrea Cook, Assistant Superintendent of Instruction
Springboro Community City Schools
