

LBM Market Watch Webinar

Thursday, August 18th - 12:30 pm - 1:45 pm CST

Learn from industry representatives what the trends & opportunities are for quarter three & four.

Join us on August 18th for the next LBM Market Watch webinar featuring conversations and strategic insights from industry representatives. This webinar will feature an on-line conversation with supplier representatives who will answer questions posed by moderator Brett Thorne, Operations Officer at Thorne Lumber Company and Building the Future Podcaster. Panelists will not only be asked about the supply chain outlook and possible economic impacts on the industry, they will also be asked to provide some strategic planning ideas to help dealers and their customers better prepare for upcoming projects and take advantage of opportunities in the market. Attendees will be able to ask panelists questions using the Q&A feature on the platform.
