BECOME A TRAINER!

The UPLIFT Train-the-Trainer (TTT) program equips educators to deliver trauma-informed training and consultation in their own schools and districts. By becoming a trainer, you'll help colleagues and students recognize, respond, and recover from the impacts of adversity and toxic stress—while building a stronger, more resilient school community.

10/28/26 & 10/30/26

\$300

Intended Audience

All district staff, including: general educators, related service providers, specialists, special educators, mental health professionals, administrators, nursing staff, clerical staff, custodial staff, etc.
