Chris Zimmerman

Principal, Cimarron Middle School, Douglas County School District, CO.

Training Highlights — 9 MODULES

- **Unit 1:** Foundations
- **Unit 2:** Leadership & Planning Concepts
- **Unit 3:** Operationalizing Safety Plans
- **Unit 4:** Operationalizing Incident Command
- **Unit 5:** Operationalizing Your Circle of Trust Team
- **Unit 6:** Operationalizing Communication
- **Unit 7:** First Responder Coordination
- **Unit 8:** Operationalizing Tabletops
- **Unit 9:** Reflections

Who Should Attend

This training is designed primarily for school security and safety committee members and school safety teams. It is also appropriate for school and district administrators, educators, school resource officers, law enforcement, security personnel, facilities managers, first responders, mental health professionals, and other community partners involved in school safety. Continuing Education (C.E.) credit is available.

Learning Outcomes

- ✓ **Apply** practical, real-world strategies to manage school safety incidents effectively.
- ✓ **Define** clear roles and responsibilities for all personnel during an incident.
- ✓ **Demonstrate** shared language and coordinated response methods across teams.
- ✓ **Integrate** school, district, and first responder operations through the ICS framework.
- ✓ **Practice** through live tabletop exercises and real-world scenarios that put your team's plans, roles, and communication to the test.
