Prepare for the School Year

Keep Your Community Safe

Bystander Awareness eLearning

The Foundations of Targeted Violence Prevention eLearning is a **free, one-hour** online training developed by the Department of Homeland Security, **National Threat Evaluation and Reporting Program Office** that empowers faculty, staff, and parents to:

- ✓ Recognize threats or potentially concerning behaviors
- ✓ Understand what behaviors may be displayed by a person who is on a pathway to violence
- ✓ Learn where to report information of concern
- ✓ Understand how the information reported will be used to keep our community safe

You Can Help Make Prevention Possible!

Take the Online Training Today

"Targeted school violence is preventable when communities facilitate bystander reporting and promote climates of safety and trust."

- U.S. Secret Service, National Threat Assessment Center
