COOPERATIVE EDUCATIONAL SERVICES

From Regulation to Restoration: RESTORATIVE PRACTICES IN SCHOOLS

Restorative Practices Academy

10/9/26

9 AM-3:30 PM

$160

This immersive session is a deep exploration of RP, including its role in modern education. Participants will build a strong foundation in the continuum of RPs, from working agreements & circles, to responsive practices that repair relationships, restore trust, & build accountability. Through activities & discussion, school staff will develop the skills needed to embed RP into their everyday work with confidence & commitment.

Re-Entry Done Right: Leadership Practices for Student Reintegration*

11/4/26

9 AM-3:30 PM
$160

When students return to school after a disciplinary incident, we have an important opportunity to support accountability, repair relationships, and strengthen connection to the school community. This session introduces a structured restorative re-entry process designed to help students return with dignity, clarity, and support.

Circles That Matter: Creating Space for Connection, Growth, and Accountability

Bring restorative practices to life by mastering community-building, responsive, and repair circles that deepen relationships, foster belonging, and transform challenging moments into opportunities for growth. Through interactive learning and practice, participants develop confidence and the skills needed to facilitate meaningful dialogue that strengthens your school community.
