Re: Construction Notice

Dear Local Business Owner,

SUBJECT: Etobicoke Creek Trail Improvements
Construction Notice

We are pleased to inform you that trail improvements have commenced along the Etobicoke Creek Trail. As the trail extends some 11 kilometers, it is being done in sections to minimize the impact to users.

Construction for the section of trail in your area, from **Burnhamthorpe Road East north to the City of Toronto border** and within **Fleetwood Park** will commence weather dependant, **the week of September 5th and completed the week of September 11th.**

The Trail Improvements will include:

- Trail widening to 3.50 metres
- Asphaltting of trail surface
- Line painting at specific trail intersections
- Enhanced wayfinding signage
- Installation of Traffic counting technologies

Trail closure signs will be posted 1 week prior to construction for the affected section. During the daytime the area will be barrelled off to prohibit access. At the end of each day access may be permitted, unless the work operation does not permit this due to safety. As such we ask for your patience as we look to promptly complete the improvements.

Please visit www.mississauga.ca/portal/residents/parks-etobicoke-creek-trail for additional information on the Etobicoke Creek Trail.

If you have any questions, please contact Raymond Lau, C.E.T., rcca, Project Manager at (905)615-3200 ext:8734 or by e-mail at Raymond.lau@mississauga.ca.

Yours truly,

Stefan Szczepanski
Manager Park Development
