

Safe Kids Grand Forks will be hosting a virtual FREE Home Safety Training on

**November 12, 2024 from 9 a.m. - 4:30 p.m.**

**In-person or Virtual**

This training consists of many of our partners giving of their time and expertise to assure those conducting home visits or providing home safety education are providing the most up-to-date information and are aware of resources that will be helpful in that role. We will have speakers presenting on topics such as:

For agencies in the Safe Kids Grand Forks service area, those taking this course will be able to access home safety / childproofing supplies for your clients that we have available in limited quantities. If you have taken this training in the past, please consider taking it again as a refresher as some risk areas have new injury data and trends and new/additional recommendations for safety tips.

**Fire, Burns and Carbon Monoxide Safety**

**Falls**

**Choking**

**Suffocation and Entrapment**

**Strangulation/Cutting, Piercing & Other Wounds**

**Water & Drowning**

**Guns, Firearms and Drug Concerns**

**Poisoning—Medications**

**Home Visiting & Use of Home Safety Devices**

Registration information will be coming soon.
