CHECK FOR RECALLS.
PROTECT YOUR FAMILY.

57 MILLION

vehicles on U.S. roads have open safety recalls.

An open recall means a potential safety problem needs to be fixed.

NEARLY 1 MILLION

vehicles have open recalls involving child seat anchors (LATCH).

These anchors help secure car seats in your vehicle.

Check your vehicle at checktoprotect.org

Find out if your vehicle is affected and how to get it fixed for FREE.
