

Hands On Learning Fair 2026: Get set for an action-packed day of fun and adventure

The Safe Kids team and our partners are gearing up for the annual Hands On Learning Fair, taking place Saturday, April 25, 2026, from 10 a.m. to 2 p.m. at the Purpur and Gambucci Arenas in Grand Forks. This family-friendly event is free of charge and open to kids 10 and under and their families.

We are deeply grateful for everyone who makes this day possible — our many vendors, AAA as our presenting sponsor, the dedicated men of the Grand Forks Air Force Base Fire Department and the Kappa Sigma Fraternity of UND who assist with setup and takedown, and the many volunteers who show up year after year. It truly takes many hands to create a safe, fun, and educational experience for the children in our community, whether at home, at school, at play, or on the way.

So, mark your calendar, bring your kids, and get ready for a day filled with hands-on activities, educational booths, food vendors, roaming mascots, and plenty of opportunities to keep curious minds and active bodies engaged. We hope to see you there.
