

**Have you ever thought your grandchildren would be at risk for poisonings in your own home?**

**38% of child poisonings involve a grandparent's medication**

Presentation:  
Medication Safety  
Nov. 3rd 3pm

Medication Take  
Back Event  
Nov. 9th 2pm

---

**Safe Kids Grand Forks will present on medication storage and disposal safety.**

**Cookies and lemonade will be served, so join us!**

**SAFE  
K:DS**  
GRAND FORKS

---

**Bring your unneeded, expired, old medications for proper disposal.**

**No need to take them out of their containers. We will take prescription, over the counter, liquids, pills, patches, creams-- even pet meds.**

**Sorry, no sharps.**
