Car Seat Loaner Program

SAFE KIDS GRAND FORKS

Do you have grandchildren, nieces, nephews, or friends coming to visit who need a car seat?

Safe Kids Grand Forks loans car seats for **free** for up to two weeks! This long-standing program has been available in the Grand Forks community for over 13 years and continues to help families keep their littlest passengers safe.

We have an assortment of car seats available for babies and older children, including:

- Infant car seats
- Rear- and forward-facing convertible car seats
- Booster Seats
- Ride Safer vests

Planning to fly? We also offer airline harness vests designed specifically for children weighing 22–44 pounds, perfect for families traveling from Grand Forks to another destination.

While the rental program is a free service, we welcome donations to help offset the cost of replacing car seats as they expire.

To reserve any of these items, please call at least two weeks in advance to set up a specific appointment time.
