

2025 Driving Skills for Success

The Vision Zero Driving Skills for Success (formerly Driving Skills for Life) program will put teen driver's skills and judgement to the test. This program helps teens learn the skills they need to take personal responsibility to make the right choices every time they get behind the wheel.

Driving Skills for Success (DSFS) is for teen drivers with a permit or license between the ages of 14-18. Participants will have a chance to drive a controlled course with law enforcement while having various distractions, experience virtual simulators, and many more interactive stations.

Teens are also welcome to sign up for the [ND Safety Council's Alive at 25 course](#). Alive at 25 is an interactive classroom course that is designed to reduce the likelihood of young drivers ending up in a vehicle crash.

Parents are invited to attend DSFS but Alive at 25 will remain a classroom setting with students only.

Date: July 9, 2025

Registration deadline: July 2, 2025

Location: Alerus Center, Grand Forks, ND
