

BATTLE OF THE BADGES

MEDICATION TAKE BACK EVENT CHALLENGE

Altru Health System, Safe Kids Grand Forks, the Grand Forks Sheriff's Department, Grand Forks Public Health, and the City of Grand Forks are hosting a Medication Take Back Event—and issuing a partner agency challenge!

We're challenging the Grand Forks Police Department, the Grand Forks County Sheriff's Department, and the UND Police Department to see who can inspire the most drop-offs. Bring your expired or unused medications and choose which agency to credit. The agency that collects the most weight in their disposal bin will win.

We accept pills, creams, ointments, liquids, patches, pet medications, and both over-the-counter and prescription drugs. Items may be dropped off in their original packaging, as all medications will be safely incinerated.

Public Health
Prevent. Promote. Protect.
Grand Forks Public Health
