

Safe Kids Grand Forks Presents: Parent, Caregiver & Foster Parent Safety Sessions

Join us via Zoom as we discuss topics to help keep your kids and family safe from preventable injuries.

FREE but pre-registration is required (see below).

This training series is hosted by Safe Kids Grand Forks with support from the Altru Alliance and the City of Grand Forks. A special thank you to Safe Kids Fargo-Moorhead, Safe Kids Bismarck-Mandan and Be SMART for guest presenting.

These sessions qualify for continuing education hours for North Dakota foster families, but are open to anyone interested in learning more about these important safety topics, including parents, grandparents, foster parents, and other caregivers. Participation is free, but registration is required through the link below. Registered participants will receive the Zoom link and password via email the day before each session.

Please register at least two days in advance of each session so we can plan accordingly for sending sessions handouts and the log-in password.
