

The NJIT logo is located in the top left corner. It consists of the letters "NJIT" in a red, serif font, with a red swoosh underline that starts under the "N" and extends under the "T".

**NJIT**

A man in his late 20s or early 30s is standing in the center of the frame. He is wearing a white hard hat with a green logo, dark sunglasses, a high-visibility yellow safety vest with orange and reflective silver stripes over a white t-shirt, and black work gloves. He has his hands clasped in front of him and is smiling at the camera. The background is a construction site with a concrete mixer truck and various construction materials and equipment visible.

NJIT has nearly

# 100% JOB PLACEMENT

## A BACHELOR OF SCIENCE IN CONCRETE INDUSTRY MANAGEMENT WITH A MINOR IN BUSINESS AT A GLANCE

### WHAT IS CIM:

The Concrete Industry Management (CIM) program is designed to train and educate the student in the field of concrete industry, by exposing the student to a multidisciplinary program that draws on management and technology to produce a well-rounded graduate who is able to enter a career in the concrete industry.

### WHAT DO CONCRETE INDUSTRY MANAGEMENT TECHNOLOGY MAJORS DO?

Practical skills and hands-on learning are critical to success in Concrete Industry Management. Time management and communication skills also are vital in this fast-paced and variable industry. Students will learn how to develop these skills, as well as how to deal with a perishable product in its plastic form and ensure it will be a long-lasting material in its hardened form.

### MEET SOME CONCRETE INDUSTRY MANAGEMENT STUDENTS

“I could have never  
imagined the opportunities  
that have come my way  
without NJIT.”

Catrina Alexandre  
*Class of 2019*

## INDUSTRY INVOLVEMENT

The CIM program is supported by the concrete industry. The industry participates directly in the program through:

- Industry-sponsored scholarships.
- Visiting faculty and industry mentors.
- Opportunities for professional networking beginning in the first year, through on-campus presentations and social events.
- Student attendance at national industry conventions.
- A program of collaborative research with NJIT faculty that will give students an opportunity for hands-on research experience.
- A \$100 billion dollar industry.

## ABOUT NJIT:

- Top 2% for return on investment *Source: PayScale.com*
- #1 in Student Upward Economic Mobility *Source: Forbes*
- Top 10% National University *Source: QS World University Rankings® 2020*
- R1 Research rating from Carnegie Classification
- \$160 million+ in research expenditures in fiscal year 2019
