

# Greetings!

Please join us at the 17th annual fundraising golf tournament to benefit the Concrete Industry Management Program at Middle Tennessee State University.

Proceeds from this event will go to match the national CIM fundraised dollars received each year from the World of Concrete Auction. Through Patrons support scholarships, student travel, lab equipment and community concrete work are made possible. We must match \$100,000 each year to receive funds from the National Steering Committee.

We are thankful for all the years of support as we were successful in realizing a building dream in 2019 and groundbreaking this past April. Thank you to all the building donors and alumni.

We have removed building sponsors and are relying on Hole Sponsorships and Golf Teams.

Thank you for your continued support,

Jon Huddleston, Director  
School of Concrete & Construction Management

## **Sponsored by the CIM Patrons**

Jim Speakman was a true leader in the concrete industry. Jim served on industry committees and was very active within many associations throughout the country such as TCA, NRMCA, FICAP, and FRCA; however, the CIM Program was his greatest passion. Jim was tireless in his efforts to promote and enhance the CIM Brand of what it is today. Jim believed having a vision, connecting people and seeing it to fruition. He was a True CIM Patron!
