Unfortunately, we are losing our home at WUHS and must be moved out by mid-November. We hope you will join us in this celebration of our Museum and the history of medical science before we bid farewell. We welcome any ideas you may have about our finding a new location for our displays and artifacts.

Donations are needed now more than ever so that we can sustain museum programs during our transition as we seek a new space. We thank you for your ongoing support and generosity!
