

#SpinChallenge

SPIN TO SAVE KIDS!

JANUARY – MARCH 2023

HERE'S HOW:

1

Make a 7-10 second spinning video

What to Spin? Anything goes! Yourself, wheels, balls, hula-hoops...you pick!

What to say/write? Example: "I'm joining the Spin Challenge and donating to help accelerate children's clinical trials. Let's Spin to Save Kids!"

More ideas on what to say in the FAQs!

2

Make a small donation to I-ACT!

You can do it at SpinChallenge.org. Any amount makes a difference to help advance and accelerate children's clinical trials!

3

Post the video to all your social media!

Don't forget to

- 1) tag [@IACForChildren](https://www.instagram.com/IACForChildren),
- 2) share the donation link SpinChallenge.org and
- 3) use the hashtag [#SpinChallenge](https://twitter.com/SpinChallenge)

Then, tag and nominate your friends to keep the Spin chain going!

#SpinChallenge

FAQs

What should I spin?

Here are some fun ideas to consider:

Wheels... cycling, biking, riding, skateboarding!

Balls... basketballs, footballs, baseballs, volleyballs!

Sports... skating, cheerleading, gymnastics, wrestling!

Dance... modern, jazz, ballroom, ballet!

Kids Games... Frisbee, hula hoop, yo-yo's, tire swings!

Anything goes... make it up or build it and Spin... challenge your family, friends, teammates and co-workers to Spin, too...

What should I say in and/or write on my video?

You can say as little or as much as you want, but it's helpful to provide some context, if you can! You can learn more at SpinChallenge.org but here are some ideas:

"I'm joining the Spin Challenge and donating to help accelerate children's clinical trials. Let's Spin to Save Kids!"

"I-ACT for Children is the nation's leading non-profit organization exclusively dedicated to advancing children's clinical trials. They need our help!"

"Did you know that, after a vaccine or medicine is approved for adults, it will take NINE additional years for the same medicine to be approved for children?! Let's turn those numbers around!"

Share your personal connection to the cause, if you want!

"I nominate...[nominate your friends to participate!]"
