

CHILD DEVELOPMENT INSTITUTE

Vulnerable Infant/Parent Program

Babies have their best opportunity to thrive when developmental issues are identified early and families get the resources they need. That's why we created CDI's Vulnerable Infant/Parent (VIP) Program to support babies who require special attention.

CDI's VIP program provides early intervention services for babies from birth who are at risk for developmental delays due to medical conditions or complications during pregnancy or birth.

CDI's VIP Benefits

- ♥ Multi-disciplinary Specialists with expertise in supporting optimal developmental outcomes for each baby
- ♥ Warm referrals directly from Hospitals and Pediatricians
- ♥ Support in navigating Regional Center and Health Insurance
- ♥ Comprehensive Developmental Evaluations
- ♥ Clinic-based and In-home Early Intervention Services

Early Intervention Services
