

# Call for Abstracts

## AAP-CA2 Advances in Pediatrics Symposium

February 26, 2022

Abstract Submission Deadline: December 15, 2021 at 11:59PM PST

### General Information:

- The AAP California Chapter 2 will accept abstracts on scholarly projects by pediatric and medicine-pediatric residents from CHLA, Harbor-UCLA, Kaiser LA, Loma Linda, UCLA, and USC.
- Students from medical schools in the Southern California counties of Kern, Los Angeles, Riverside, San Bernardino, San Luis Obispo, Santa Barbara and Ventura are also invited to submit their abstracts.
- Abstracts can be on original research, quality improvement, clinical cases, or any other scholarly project conducted during residency training or medical school.
- Accepted abstracts will be asked to create a **poster** for presentation at the symposium. The author of the highest scoring abstract will be asked to do a 30-minute **oral presentation**.
- Notification decision will be emailed to the primary presenting author by **January 15, 2022**. Presenters of accepted abstracts must submit final poster and confirm attendance via email to [Chapter2@aapca2.org](mailto:Chapter2@aapca2.org) by **February 19, 2022**.
- Submission will not preclude submission for journal publication.
- Scholarships will be awarded to the top scoring abstracts at the symposium.

## **Submission Guidelines:**

### *Format -*

- Abstract text is limited to 500 words. Up to two images/tables are permitted.
- Use 12-point Times New Roman font and leave 1-inch margins on all sides.
- Center the title in bold type at the top of the page.
- Leave a blank line before beginning the author list. First and last name, credential. Please bold the name of the presenting author.
- After each author or group of authors, use parentheses to enclose their affiliations.
- Leave a blank line after the authors and then begin the text, single-spaced.
- Email address of the presenting author is to be listed at the end (see example below).

### *Extras -*

- Image captions do not count toward the word limit.
- Use only standard abbreviations. Special or unusual abbreviations should be placed in parentheses after the first appearance of the full word.
- Numerals rather than words may be used to indicate numbers.
- No revisions can be made after the abstract submission deadline.
