**Read** — This Father's Day, encourage dads and father figures to make story time their own. Whether it is a silly voice, a favorite childhood book, or five minutes before bedtime, all shared moments matter!

**Opportunity** — 100% book funding is available for qualified pediatric sites in the Inland Empire. [Start or share the online application](#) to experience the joy of sharing books with your patients at no cost to you!

**Resources** — Looking for ways to enhance early literacy at your site? Download this [Parent Milestone Chart](#) to share with your patients and colleagues, making you an official RORIE champion!

**Impact** — Every visit is more than a checkup; it is a story waiting to unfold. In a 6-month period, our active sites reported 99,370 well-child visits—that is 99,370 chances to put a book in a child's hands and set the foundation for lifelong learning!

**Engage** — Commit to taking action that can tangibly impact families in our region, starting by letting us know you are interested. [Take the next step and volunteer with RORIE!](#)
