COVID-19 RESPONSE:**

**ENGAGING PATIENTS AND**

**FAMILIES THROUGH VIRTUAL CARE**

**FRIDAY, MAY 20TH, 2022**

**9:00AM - 2:30PM PST**

**FREE VIRTUAL CONFERENCE**

The aim of this conference is for healthcare providers to identify the benefits and challenges of virtual care for children and adolescents and to explore strategies for optimizing virtual care.

This conference is intended for nurses, nurse practitioners, primary and subspecialty care physicians, psychologists, registered dietitians, respiratory therapists, social workers, and other interdisciplinary providers.

CME will be provided for physicians and psychologists and CEUs will be provided for nurses, respiratory therapists, and social workers.
