
RORIE BRIEF

3-MINUTE GLANCE AT PEDIATRIC LITERACY IN THE INLAND EMPIRE

August 2025 | Publication 3

Read – As routines reset for the school year, shared reading offers a steady anchor. Whether it's a library visit after school or a new book at bedtime, these moments help children feel connected, confident, [and ready to learn](#).

Opportunity – RORIE is rolling out a new communications platform to keep you informed. Expect concise updates on deadlines, new tools, regional highlights, and upcoming events. If you haven't already received an email from us, [sign up here to stay in the loop](#) and make the most of what's ahead.

Resources – Looking for a simple way to support caregivers beyond the visit? [The Parent Milestone Chart](#) is a practical tool that links shared reading to developmental growth from birth through age five. It's designed for easy integration into your workflow—whether posted in exam rooms, shared during visits, or used in staff training.

Impact – Last month, we recognized two major hospitals, LLUH and RUHS, with large bilingual book donations through the [Beginning at Birth initiative](#), celebrating their leadership in implementation and a steadfast commitment to early childhood literacy in the Inland Empire.

Engage – Help us reach more families—at no cost. Your referral could bring books, training, and literacy support to hundreds of families. [Share the application](#) or direct them our way while funds last.
