Established in 1989, Northwest Family Life's mission is **assisting individuals and families** in finding **hope and healing** when facing the pain of **domestic violence, trafficking, trauma**, and related issues.

As a nonprofit learning and counseling center, we have a three-pronged approach to ending violence:

Advocacy – providing support, resources, and advocacy for women and children impacted by domestic violence.

Intervention – providing state-certified Batterers' Intervention services (in a separate location) for those who abuse.

Prevention – offering counseling, education, and broad-based training aimed at addressing the root causes of violence.

Thank you for all the ways you bring hope!
