DEALER DIRECT
ADVISORY

AUTOMOTIVE MERGERS & ACQUISITIONS, THE RIGHT WAY

A trusted source in helping dealers sell their businesses or expand their dealer network.

A strategic option for dealers in North America, helping extract the highest value when buying or selling your dealership. Built on passion for the automotive industry, our company was founded by car dealers and industry professionals that have collectively garnered a breadth of experience both in industry, and in advisory capacities.

DDC was founded by Paul Stern, who has previously owned multiple dealerships including Toronto Chrysler, and been a lead advisor in the M&A space for the last 8+ years, successfully completing over 30 transactions collectively. With the intention of rectifying a service gap within the industry, Paul Stern and the DDC team, continue to uphold and grow their presence as industry leaders, and confidants.

Dealer Direct Canada is committed to a culture of collaboration, integrity, honesty, loyalty, and building long-term relationships by always putting clients first.
