**9:30 a.m. departure. 1:00 p.m. EST Return.**

Departure from the hotel to the Caribbean National Rainforest, known as "El Yunque". El Yunque is located 45 minutes from San Juan and is the only tropical forest in the United States National Forest System. Many of the views you will see are the same ones that dazzled the first Spanish explorers over 500 years ago. You will see 1000-year-old trees, exotic rainbow-colored flowers, and thick vines with large masses of lush red flowers swaying in the cool breeze. From the heart of this impressive beauty, you will hear the incessant, yet delicious, two-note song of the "Coqui", the chatter of tropical birds and possibly the quacking of the endangered Puerto Rican parrot. Duration 2.5 hours + transfer time.

*Duration 5 – 6 hours*

*El Yunque Rain Forest transportation and professional English-speaking driver/guide*
