## Stamp Club 2022-2033

It is time to sign up for a new Stamp Club session!

### Stamp Club details:

- Each month you will learn a NEW technique or fancy fold.
- Each month you will make 2 greeting cards, and/or an occasional 3D item.
- The monthly class is FREE!
- There will be 10 club members, and the club will run for 12 months (May 2022 - April 2023)
- There will be no actual class in December, Stampin' Rewards will be shared, plus a gift from me!
- Each month, each club member agrees to place a minimum order of \$35 (pretax and s/h) of Stampin' Up! product.
- The "Host" rotates each month, each Host receives the Stampin' Rewards for their month. Stampin' Rewards are a minimum of \$31 per month (9 x \$35 = \$315.) Host schedule is randomly assigned.
- In your Host month, you may increase your group order total; therefore, increasing your Stampin' Rewards. This can be done by gathering outside orders and/or by hosting a separate stamping event for your family/friends. Depending on the additional sales, you may also qualify for a ½ price item.
- During your host month, you may bring a guest to class who will also agree to place a \$35 order. They will not receive club benefits, but will contribute to the group sales, and your rewards.
- Club members will receive the catalogs as they are released, for FREE! The May 2022-2023 Annual catalog will be spiral bound as my welcome gift to you.
- Notify Janey by the Monday of club week, which club date/time you will attend, via the emailed form.
- **Bring** your adhesives (Dimensionals, Glue Dots, Tear and Tape/SNAIL/Glue) & paper snips (scissors), to class each month. All other supplies will be provided.
- If you cannot make a class, you can make arrangements with a club member to make your projects, or the supplies can be requested but projects will be unmade.
- If you fail to place an order by Friday noon of club week (the deadline), then card stock products will be ordered on your behalf to fulfill your minimum club requirement and you will be billed for the order.

I, \_\_\_\_\_, agree to be a member of Stamp Club organized by Janey Backer, Stampin' Up! Demonstrator. I will abide to the club details as outlined above.
