

HCCI

HOME CENTERED CARE
INSTITUTE

HCCI Advanced Applications of Home-Based Primary Care™

Course Description

This two-day classroom workshop builds on the HCCI Essential Elements of Home-Based Primary Care™ workshop and is designed for experienced HBPC providers. Case-based sessions focus on higher-level topics in HBPC such as: advance care planning, prognostication, care coordination and transitions of care, caregiver support, and challenging clinical issues such as dementia, polypharmacy, selected procedures and wound care.

Audience

This workshop is designed for the following types of professionals:

- Physicians
- Advanced Practice Providers (NPs, PAs)
- Nurses (RNs, LPNs)
- Practice Managers/Administrators
- Social Workers
- Residents/Fellows
- Medical Assistants
- Other Practice Operations Staff
