

A VISION FOR GROWTH AND CONNECTION

Northwest Expressway Corridor Association

Project Overview

The NW Expressway is a major infrastructure and growth corridor project focused on the future extension of K-254 to US-400 (US 54/Kellogg) near the Wichita/Goddard city limits.

This long-term initiative will improve regional mobility, support future housing, commercial/industrial development, and enhance connectivity across Sedgwick County.

The goal is to design and guide responsible growth that benefits residents, businesses, and the region.

Why It Matters

- Connects underserved areas to opportunity
- Supports economic development
- Addresses the need for regional flood control
- Reduces congestion in key traffic corridors
- Creates a framework for housing, business, and open space planning

PURPOSE

- Promote development of the Northwest Expressway, including the extension of K-254 to US-400 (US 54/Kellogg)
- Assure fiscal responsibility of stakeholders to taxpayers, including past and future property acquisitions and investments.
- Support and promote orderly development within the corridor by establishing relationships with public and private sector entities along the corridor.
- Promote improved safety along the Northwest Expressway Corridor.
- Promote efficient and safe movement of commercial traffic in the region.
- Provide a marketing function, in coordination with existing development agencies, for the corridor.
- Act as an advisory group to member communities and interests along the corridor regarding safety and development along the corridor.
- Collaborate and communicate with all stakeholders, including members of the public, to advocate for the development of the best transportation system in the region and the State of Kansas.
