Online Training:

Investigating TikTok Live: Media Says it “Operates in Part as Virtual Strip Club for Young Users”

Date: September 30, 2024

Time: 12:00pm – 3:00pm (Eastern Time)

Registration Fee: \$175

This isn't the normal TikTok webinar. This is about the TikTok that is fighting with the American Government, collecting users data, enabling extremist groups to share misinformation and being used by predators to give gifts and money to child victims of sexual exploitation.

In this online event we will specifically cover:

What are TikTok's capabilities

- Video posts (Duet and Stitch)
- Direct Messaging
- TikTok “Live”
- Coins, gifts and recharging

What is the concern of the American Government and TikTok collecting data

- How is it different than other social media apps
- What other apps are giving TikTok data

How are extremist groups using TikTok

- How are they sharing misinformation
- How are they finding each other

How are predators finding underage victims

- How are they propositioning the victims
- How they pay them for their attention

How do we investigate all of this

- Copying the video
- Recording a “Live”
- Identifying the user

TikTok Forensics

- Examining the App and what can be recovered

Instructor:

Glenn Bard is a retired Pennsylvania State Trooper First Class and a U.S. Veteran of Operation Desert Storm. In 1999 Glenn began Computer Crime Investigations for the state police and has since investigated crimes across the United States ranging from Child Pornography to Criminal Homicide. Glenn has also conducted forensic examinations for city, state and federal Law Enforcement Agencies including the FBI, US Postal Inspectors, and I.C.E. as well as foreign governments.

Legal & Liability Risk Management Institute

700 N. Carr Rd., # 595 • Plainfield, IN 46123

Phone: 317-386-8325

Glenn has been certified as an expert in numerous states, the U.S. Virgin Islands and the United States Federal Court System in the areas of Digital Forensics, Cellular Technology and Computer Technology.

Glenn has been a speaker for organizations of all sizes and types, both public and private, to include the American Academy of Forensic Sciences, World Security Congress, and hundreds of law enforcement agencies, law firms and universities. Several of the cases Glenn has worked have received National coverage, to include Fox News, Dateline, the Associated Press, Yahoo!, the New York Times, and many more.

Glenn has received numerous awards during his military and police career, including Honorable Discharges from both the United States Army and the Pennsylvania State Police.

Glenn developed, created and implemented certifications for two forensic software companies used by agencies around the world.

Glenn is the Chief Technical officer for PATCtech, overseeing all Digital Forensic and Data Services. Glenn has acted as technical consultant and/or personally developed Computer Forensic Programs at multiple Colleges, to include Westmoreland County Community College where he was a faculty instructor prior to retiring.
