

Third to Fourth Grade Summer Reading Expectations

Dear Rising Fourth Graders,

We have heard so many amazing things about you from your third grade teachers and cannot wait to meet you in the fall! Over the summer, it is very important for you to KEEP READING!

Here are your summer reading requirements:

- 1) Please complete this [Google Form](#) so we can learn more about what you're planning to read at the beginning of the summer (it's ok if it changes!)
- 2) Read a minimum of 3 books (can also include audiobooks, a series of magazines, etc.) When you've finished, bring in a list of the books you read or complete this [Google Form](#) so we know what you read!
- 3) We would also like you to write a paragraph for us using the third grade writing process of planning, drafting, revising, and editing. (We know you did a TON of writing in third grade and are excited to continue next year!) This can be a paragraph about ANYTHING--something you did over the summer, a summary of your favorite book you read, etc. We just ask that you brainstorm, draft, revise, and edit before you submit a final copy. You can either bring in a final copy handwritten or write it on Google Docs and share it with both teachers: caroline.sterkel@eagleschools.net & amy.guercio@eagleschools.net

Please email Mrs. Sterkel and/or Mrs. Guercio if you have questions!

We are SO excited to see everything you're reading!

Your Fourth Grade Teachers,
Mrs. Guercio & Mrs. Sterkel
